## Thinking of Selling Your Membership?

If you are interested in selling your membership in the Pine Ridge Swim Club, please note that the Club opens new memberships to potential members on the wait list on January 1st. New members have 30 days to submit payment once they have been notified that a membership has become available. Families that are selling memberships will receive their reimbursement funds as soon as new member's payments have cleared. If you wish to sell your membership, please complete and return the membership surrender form below and membership certificate if you were issued one on or before May 1st. **\*\*PLEASE NOTE: If your surrender form is not received and post marked by May 1st you as a member will be liable for the upcoming season's dues (this is non-negotiable). Furthermore, failure to comply with this will result in you forfeiting your Membership Bond.** This will allow us to sell your membership to a new member before the pool opens. Please note that each person's **signature must be witnessed**. Return the completed form and survey (and your membership certificate, if issued one) to:
